

OFFICIAL MIDDLE EUROPE CHAMPIONSHIP OF CUSTOM BIKE BUILDING 2011 TERMS AND CONDITIONS OF ENTRY

The following are the basic terms and conditions that you are agreeing to by competing at Big Lake Custom 2011 (Official Middle Europe Championship of Custom Bike Building)

OFFICIAL ENTRY FORM

Completion of the Official Entry Form is essential. No participation will be permitted without it.

All entries are accepted subject to, and with acceptance of, these event terms and conditions, including liabilities, costs and fees (350,- CZK per bike entered payable by cash the day you arrive and register the bike). All entries remain provisional until you register your bike at the event itself.

ELIGIBILITY

The decision to permit or decline participation is entirely and solely at the discretion of the organizers and no correspondence, dialog, or any other form of communication or explanation for any such decisions will be entered into or provided.

Specifically the organizers reserve the right to deny participation to any builder and motorcycle on the grounds of decency related matters and taste. This includes, but is not limited to, the use and display of messages, forms of words, images or designs that are considered by the organizers to be unsuitable; and to behavior or behaviors that the organizers, also at their sole discretion, deem inappropriate.

Entries will only be accepted by the builder of an entered motorcycle, and any award entitlement is to the builder, as opposed to the owner, of a winning entry.

REGISTRATION

Bikes must be registered in advance of the event date. Space is limited and subject to change, and registration can be closed without notice. Each bike will be issued with an entry identification number before their participation is confirmed. This identification number must be presented with the bike at the time of onsite registration.

Bikes must be presented at the show facility between 10 AM and 4PM on Friday 20.05.2011. Bikes arriving outside these times without prior arrangement with the organizers may be refused entry.

WORKING ORDER

All bikes must be capable of starting and running. Entrants may be required to prove that they are 'runners' but no petrol in the tank is permitted, have a small container prepared on side.

BIKE DISPLAYS

All entrants will be required to provide a brief technical specification of their entered bike(s) in advance of the event date, which will be used on the display placard identifying their bike. No additional display materials including, but not limited to, flyers, business cards, boards, logo signs, posters, lighting, reflective flooring or other props are permitted to enhance the bike display.

Bikes must remain in place at all times until the show closes at 9:00AM on Sunday May 22th but no later than 12:30PM. There are no exceptions to this rule.

NUMBER OF BIKES

The organizers reserve the right to set a limit on the number of bikes any single builder may enter. Please discuss with us in advance, and indicate planned number on the Official Entry Form.

PHOTOGRAPHY

Where possible, excluding motorbikes that have been photographed at previous V4 semi-final exhibitions, all bikes will be photographed for use in future promotions of, but not limited to, the Official Middle Europe

Championship of Custom Bike Building. Photos made at the registration will be provided to all entrants on request.

All entrants accept that copyright of all or any images or information concerning them or their bikes arising from their participation are the property of blackMACHINE, as owners of the Official Czech Championship of Custom Bike Building, and that these may be shared with all or any other media for royalty/payment-free use at the sole discretion of blackMACHINE.

Specifically, the organizers must be informed, at least 14 days prior to the event, of any entry subject to an 'exclusive' contract prohibiting publication of show photography as this affects our ability to accept its entry, as blackMACHINE cannot be denied the right to use images and details of bikes in its general news releases and features. Any such contract subsequently signed must acknowledge blackMACHINE 's precedence of photographic rights as stated above.

Participant and attendee photography for personal use is permitted. Permissions for image or information usage will never be unreasonably denied. The organizers simply ask for event naming rights and photographer credits to be observed, stated and recognized/acknowledged as appropriate.

JUDGING

Judging will be conducted by "peer review", topped up by a VIP panel. One voting form will be issued per builder on registration regardless of the number of bikes entered. Competitors cannot vote for their own bike/s.

Correctly completed judging forms must be received back at the registration place (Official Custom Chrome stand) by the stated deadline to be included in the voting process. The decision of the judges is final. In the event of a tie on points for any award, the entry having gained the most 1st place votes of the tied entries will be deemed the winner.

AWARDS

Awards will be presented to the top 5 bikes for each class. The awards ceremony will be held on main stage at 6.00pm on Saturday May 21th.

ACCEPTANCE OF RULES

Participation in the event will constitute acceptance of these and all or any other rules or regulations pertaining to participation in and operation of the event.

COSTS, LIABILITIES AND INSURANCE

All costs connected with bikes appearing at, and being removed from, the Official Middle Europe Championship of Custom Bike Building are, unless separately and specifically contracted by blackMACHINE in writing, entirely the responsibility of the entrant. The organizers may, at their discretion, require the entrant to pay any sums arising from participation, or to compensate blackMACHINE for all or any other liabilities arising from participation.

The organizers will, of course, take the steps that it deems appropriate or reasonable to ensure the safety and security of the motorcycle(s) concerned.

Completion of the Official Entry Form, payment of the Entry Fee or having a motorcycle placed on display indicates that you have read and understood the terms and conditions, and that you unconditionally accept them.
